Hello band!

Please read the following very carefully as it outlines the drop-off and pick-up procedures for games that are at Freedom Field. **ALL STUDENTS WILL BE DROPPED OFF AND PICKED UP AT THE MAIN FRONT GATE TO FREEDOM FIELD**, which can be accessed from the main parking lot of the stadium. Our report time for the first game will be 5:15. Students who drive will need to park in the main parking lot as well, just not in a space marked “reserved”. Traffic will be heavy, so please plan accordingly. All students should arrive dressed in bibbers, dri-fit shirt, long black socks, bandos, and have their **WATER JUG!** Once in the stadium, students will need to come around the home side in front of the concession stand and go to the band tractor trailer which will be parked behind the stadium. This is where all of our equipment will be. Following the game, students will not be dismissed until all equipment is loaded properly, and the band dismisses as a unit (SUDA). Students who will be picked up in front of the stadium will then be escorted to the main gate by a staff member and supervised until all students are picked up. Section leaders and equipment crew will then return to the band room with the transportation team and put equipment away.

Please plan on the loading after the game to take at least 30 minutes. We have a lot of band and a lot of band equipment, so the process is a slow one, especially after the 1st game. Games typically end between 10:30pm and 11:00pm depending on the pace of play. It is impossible to predict an exact time, but this is a general estimate so that you can plan your evening. We can always use help in concessions and with equipment, so come out and join us if you are available! Please contact one of our booster board members if you are willing to donate your time to help out some really awesome students!

Looking forward to a GREAT Friday night!

Davis
