BAND BOOSTERS FUNDRAISER BUY-OUT OPTION

We understand the feeling of “OH NO . . . not another fundraiser” or “UH-OH . . . when was I to pick up that fundraiser?” For this reason, we have created an option to support our students, directors, and program by participating in a buyout and not feeling any pressure about participating in our various fundraisers.

For those who do not have the time or the resources with which to sell fundraisers, we have something for you: The Buy-Out option. The buyout cost is a minimum contribution of \$125 per family with 100% going to the Band Boosters to help students and teachers in the classroom and provide other fun opportunities for the program.

Please understand, you will still receive all the Band Boosters fundraising fliers, but that is only if you want to make a personal purchase because you want the item(s) yourself but again, NO OBLIGATION!

Your participation in band fundraisers help fund: marching instruction, LGPE guest instructors and judges, purchase of sheet music, instruments and instrument repair, administration supplies, and transportation for marching band and other performances.

If you have any questions or comments regarding the buy-out, please feel free to contact Christina Sullivan at hocobandpres@gmail.com. Thank you in advance for your support. Your support directly benefits the students of the HCHS Band Program!

**This buy-out does not take the place of your marching band fees.*
