Hello BASB,

Thank you to all the students who applied for leadership positions-we had 82 applicants this year. These decisions are always exceedingly difficult. We have so many qualified students that makes these choices next to impossible. Some of you may have been assigned to positions that you didn't apply for but will be of great service and help to the ensemble. We are incredibly excited to get to work with this year's team! Congratulations to the 2023-2024 BASB Leadership team!
